Spa Inc. Magazine Unveils the 2023 Winners

Spa Inc. magazine is thrilled to announce the highly anticipated winners of the 2023 Canadian Spa & Wellness Awards – the national initiative celebrating and rewarding excellence in the spa and wellness industry across Canada.

Winners underwent an extensive evaluation process with our expert panel of judges, along with spa-goers voting for the spa they believe offers the best overall experience of health and wellness in the Consumer's Choice category. All of which represent exceptional standards and connect spa consumers with the best of the best.

Andrea Dzuba, Awards Coordinator, says "It's been extraordinary to see the growth of these awards over the past few years, and this year was no different, with a wide range of new submissions from across the country. It continues to be a privilege for us to recognize the hard-working, service-oriented business people with these awards."

See below for the full list of winners.
